

- The apartment is located 200m from the Malecón, this iconic promenade in Havana that bypasses the sea. This is an apartment of the 50 completely renovated using local materials, antique furniture retyped or unique pieces manufactured on by local artisans. Around 100m<sup>2</sup> with two air conditioned and spacious rooms, each one with its bathroom. There is also an entrance hall, living room, kitchen-dining room and a balcony with a pretty good view of Havana ...
  - Located in Vedado, with shops, exchange offices, theaters, cultural centers nearby. All around some of the best restaurants in Havana. If you want a family diner or something more sophisticated, you will definitely find your favorite place.
  - Breakfast is available and we also have a kitchen in the apartment. However, if you love new tastes, we propose you a simple and fully homemade cuisine that will not leave you indifferent. A unique menu prepared mainly with local products. If you're interested, you should tell us at the time of booking or no later than the day before dinner
