

Gala and Auction Donation Agreement

Congressional School is excited to host the 2019 Gala and Auction, at the Hilton McLean Tysons Corner in McLean, Virginia on **Saturday, March 30, 2019**.

Founded in 1939, Congressional School is a co-ed independent day school in the heart of Falls Church, VA. Dedicated to young learners—infants through eighth graders—Congressional School serves more than 340 students and 2,000 campers annually through its academic and summer programs. The school develops great thinkers and leaders by encouraging students to explore, embrace challenge, and grow through an innovative academic program—all in a diverse and inclusive community. Well-prepared for excellent secondary schools, Congressional School graduates have confidence, a sense of ethics, and the desire to continually and respectfully question, collaborate, create, and lead.

We hope that you will join the excitement by donating an item for this year's event. If you have any questions, please contact Chris Pryor, Assistant Head for Advancement, at 703-533-8167 or cpryor@congressionalschool.org.
