Congressional School is excited to host our **The Red Carpet Gala** at the Westin Arlington Gateway in Arlington, Virginia on **Saturday, March 28, 2020**.

Founded in 1939, Congressional School is a co-ed independent day school in the heart of Falls Church, VA. Dedicated to young learners—infants through eighth graders—Congressional School serves more than 350 students and 2,200 campers annually through its academic and summer programs. The school develops great thinkers and leaders by encouraging students to explore, embrace challenge, and grow through an innovative academic program—all in a diverse and caring community. Well-prepared for excellent secondary schools, Congressional School graduates have confidence, a sense of ethics, and the desire to continually and respectfully question, collaborate, create, and lead.

We hope that you will join the excitement by donating an item for this year's event.
